GOLFJOY

OVERHEAD LAUNCH MONITOR

Rigel 3

One bay that tracks everything, full shots through putts

Three overhead cameras capture full shots through putting and report up to 42 metrics per swing. The clip-on mount and built-in Wi-Fi, Bluetooth and GPS are designed for installation and service in home rooms and commercial bays. A standalone unit includes 6 months of GOLFJOY Diamond, currently 160 courses at 4K resolution.

Up to 42 metrics, full shots through putting

Wireless connectivity and clip-on install

Includes 6 months of GOLFJOY Diamond, currently 160 courses at 4K resolution
